'Poppy' is out of the mare Barkway Ballerina by the stallion Baledon Commanchero. The Downland bloodline is prolific in pony breeding; Welsh and German. Her Dam Sire is Downland Mandarin whose sire is Downland Chevalier. Chevalier is present in nearly every modern German Sports Pony bloodline.

Poppy has produced three foals for us; Rosewater Manakin, Rosewater Manchineel and Rosewater Big Bird.

Poppy has a big heart and a fantastic attitude to life under saddle and as a broodmare.
