Sire: Bernwode Brokat

Dam: Bernwode La Boheme

Dam Sire: Laban

'Freddie' is out of our mare Bernwode La Boheme by the stallion Bernwode Brokat. La Boheme's Dam is Bernwode Dorina, Dorina is descended from 'Furioso II' the sire of over fifty five graded sons for Germany. Dorina stood as Reserve Champion Pony Mare for the Oldenburg region before being imported to England. Brokat was approved and licensed with Weser Ems Studbook, the German Oldenburg studbook for ponies and was imported to England in 2000 as a three year old. He has represented GB in Ireland at the Blarney Dressage Festival winning team and individual GOLD. His bloodlines can be traced back to some superb Welsh lines including Downland and his sire Brillant was a prolific sire of dressage and jumping ponies in Germany.

Freddie is a more modern type she has her mothers superb paces showing real cadence.
