

Rosewater Champion De Coeur - **For Sale**

Ginger is a palomino roan filly by the German No.1 ranked Show Jump stallion Champion De Luxe out of the SPSS reg. mare Bernwode La Boheme (Laban). Ginger is a fantastic filly with the potential to make a top grade show jump pony with both breeding lines being very successful competition ponies. Her movement is elegant and she has a natural ability to 'sit' and push from behind. Like her sister she has strong conformation and a bold temperament. Ginger is for sale as we have retained her sister.
