

Rosewater I Claudius

Chestnut Colt 2006

Sire: Caesar 171

Dam: Delfi

Dam Sire: Dornick B

'Claud' is out of our mare Delfi and by the stallion Caesar 171. Delfi's sire is the prolific German Riding pony Dornick B, four times Bunderschampion and three times European Gold Medallist. His progeny are outstanding. Caesar was born in 1989 and he was approved by the pferdestammbuch Weser-Ems in 1991. He was graded in Germany gaining a good score including two 10s. Caesar was a member of the GB Pony Team that won SILVER at the European Championships in Germany in 2000 and BRONZE in 2002.

I Claudius was awarded 1st premium at the 2006 Futurity awards and shared the highest score [with two others] of all age groups horses and ponies, winning us the Prefix Registry Breeders Award. Claud has the most fantastic temperament which was evident from his birth and we feel he has a bright future as a competition pony and a stallion.
