

Rosewater Dawn Chorus

Red Dun filly 2008

Sire: FS Don't Worry

Dam: Rosewater Manakin

Dam Sire: Manitu N

'Larni' is our first foal out of our mare Rosewater Manakin and by the stallion FS Don't Worry. Manakin's sire is Manitu N. Manitu is graded SPSS Elite and is one of the most successful dressage ponies to have ever competed for Britain. He carries some of the best blood lines including Derwen, Revel and Bwlch. Manitu has represented both Denmark and Great Britain at the European Pony Dressage Championships twice with Maria Eilberg and three times with Lorna Edmund.

FS Don't Worry is one of Germany's most outstanding pony stallions. He was reserve champion of the riding pony koering in Aachen in 1998, the same year he won the NRW riding pony Championship for the first time, and which he repeated in 1999. Don't Worry won the Bundeschampionat for riding ponies in 1998 and 1999, receiving six perfect 10's! He won his stallion test in Muenster-Handorf, and has multiple wins in dressage in M and S classes, Intermediar I and Prix St. George. Don't Worry won a bronze medal in the Rhein championships and was fifth in the German junior championship under Miriam Licinio.

His sire, Dacapo Doro, won at Hickstead and grandsire Derano Gold was European champion. His Dam, Golden Sunlight, is a Bundeschampion. Some of Don't Worry's notable young stock include 2001 koering champion Daily Hero, 2002 federal champion Dark Magic, 2002 federal champion Don't Forget, 2003/2004/2005 federal champions Dinarion, HB Dreamgirl, HB Daylight, HB Golden Girl, Don't Thatch.

At the 2002 riding pony koering, the top five ponies were by Don't Worry. In short, he has too many outstanding offspring to list. Larni is absolutely gorgeous and a pretty unusual colour passed to her from her father!
