

## Delfi

Chestnut mare 2001

**Sire:** Dornick B

**Dam:** Desiree

**Dam Sire:** Diamant II

**Head Stud Book:** SPSS

Delfi is a state premium mare with a wonderfully calm nature and is a natural mother. Her sire is the German Riding Pony Dornick B four times bunderschampion and three times European Gold Medallist.

Dornick B has contributed to a long list of top class stars of the future just this year at the 2008 Bunderschampionate; 1st/2nd place in Riding Pony 3yr mare/gelding FINAL, 2nd/3rd Riding Pony 4yr mare/gelding FINAL and 3rd place in the 6yr Dressage Pony FINAL.

Diamant II was a Gold medal winning German Dressage Team Pony with outstanding pedigree.

Delfi is graded at Head stud book status with the SPSS she has produced three foals for us so far; Rosewater I Claudius, Rosewater Breant and Rosewater Cassius Dio all of which are outstanding. All three colts have made 1st premium and it is evident she passes on her relaxed nature.

Delfi is now in foal to Champion De Luxe. He is without doubt leading the way in dressage pony breeding with his first batch of ridden young stock being placed in the top three in nearly every class at the 2008 Bunderschampionate.
